

Wyse 5040 All-in-One Thin Client Features

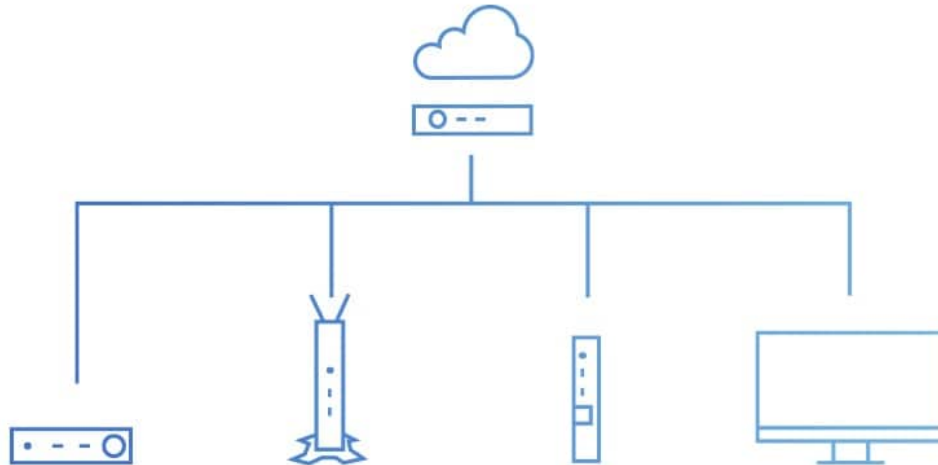

Ultimate peace of mind

The Wyse 5040 is the first all-in-one (AIO) thin client to operate on Dell's exclusive Wyse ThinOS; a highly secure malware-resistant firmware solution that delivers a zero client experience with the latest high performance desktop virtualization protocols for Citrix, Microsoft® and VMware virtual desktop environments. Wyse ThinOS with PCoIP option enables direct high-performance access to VMware and Amazon WorkSpaces virtual desktops and applications.

Elegant, space-saving design

This sleek, thin all-in-one frees up valuable desktop real estate, and the elegant design perfectly complements any customer-facing or business space. The simple one-cord design and out-of-box automatic setup makes deployment effortless.

Configure. Monitor. Manage.

Simple. Secure. Streamlined: Dell's exclusive Wyse Management Suite sets the industry standard for a powerful, secure and highly scalable solution for managing and optimizing endpoints.

One tool that does it all: Managing and tracking hundreds of secure endpoints has never been easier with a single, dedicated tool.

Highly flexible: The Wyse Management Suite is an efficient hybrid cloud management solution with floating license allocation between on premise and cloud.

Flexible multimedia connectivity

With versatile connectivity options, users can link to their peripherals and quickly connect to the network while working with graphics-rich applications. Built-in support for Unified Communication, integrated speakers, a camera and a microphone make video conferencing and desktop communication simple and easy. It even supports a second attached display for those who need a dual monitor configuration.

Ports & Slots

1. USB 2.0 port | 2. USB 2.0 port | 3. Audio port | 4. Power adapter input | 5. VGA input | 6. 2x USB 2.0 port | 7. RJ45 Ethernet (or Optional Fiber SFP Module slot – not shown) | 8. DisplayPort connector

for external monitor | 9. Security lock slot | 10. Camera (front) | 11. Microphone (front) | 12. Stereo speakers (front)

Dimensions & Weight

Display without stand: 1. Height 13.5" (343mm) | 2. Width 20.9" (531mm) | 3. Depth 1.8" (45mm)

Display with stand: Height 16.0" (408mm) | Width 20.9" (531mm) | Depth 7.1" (181mm)

Weight: With stand assembly & cables 5.4kg (11.88lb) | Without stand assembly 3.58kg (7.88lb) | Stand 1.02kg (2.24lb)
